

# Project Proposal

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**DIRECTIONS** On this worksheet, provide details to your teacher of your group's project. Also give your ideas about how you can put your personal mark on this project. For instance, if you are really artistic, maybe you can use your ability on the project in some way. For learning styles, consider how you learn best and then incorporate that into how you will communicate your project information to an internship supervisor, the public, or your teacher. Good luck!!

**Project Idea** Provide the general idea on your project here:

---

---

---

**Project Importance** Why is this project meaningful?

---

---

---

**Project Details** Provide details of your project here:

---

---

---

**Your Part** What part of this project could you develop as your own?

---

---

---

**Your Part Details** Provide details on what you would like to do to develop your portion of this project:

---

---

---

# Project Proposals

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Learning Style Connections** How does your portion of this project incorporate your learning style?

---

---

---

---

**Work Style Connections** How does your portion of this project incorporate your work style?

---

---

---

---

**Going Further** What more could you do, would you do, on this project if time and money were infinite?

---

---

---

---

**Creative Writing** Write a creative paragraph describing your group's project. Pretend that you are writing for the school's newspaper, a local newspaper, or the internship's website. Use proper English grammar and compositional rules.
