

iPod Mystery

Name: _____ Date: _____

An iPod is missing from the class! Jon's prized video iPod has come up missing. Gone with it is his entire collection of K-fed songs, his prized pirated copy of Saw 15, and 20 pics of Paris Hilton he fawns over. Everybody in the class saw Jon with his iPod, and because he left it lying out, everyone is a suspect. Nobody has left the room so the thief is among you!

Your job is to try to find the thief by asking good questions. You are to interview five people in the room and ask them five questions only. You are trying to find the person with the strongest motive for wanting the iPod, so your questions should be focused and direct. Record your questions and answers below. After your interviews are complete, have a seat and try to identify the thief. Be prepared to provide a strong reason for your belief. Good luck!
